## **Sean Carmichael Memorial Scholarship**

(2023-2024 School Year)

This scholarship opportunity is to honor Sean Carmichael, a man who left this world way too soon. Sean was a 1985 graduate of Triway High School and a 1990 graduate of the University of Akron. While at Akron, Sean earned a full athletic scholarship and was a four year starter for the Zips baseball team. After college, Sean returned to Triway and worked as the Athletic Director, Head Varsity Baseball Coach from 1994 to 2019, and Transportation Director. The legacy he created for himself was top-notch. Everything he did, he did with respect, hard work, passion, pride, love and class. He never wanted to take any credit, as he was one of the most humble guys in Wayne County. Sean loved his family, friends, and the entire community.

**In 500 words or less, describe how you plan to carry on the legacy, values, and morals Coach Carmichael created and lived by.**
